

# Citizens Academy Southeast

Academic Excellence ★ Responsible Citizenship

Dear Incoming Citizens Academy Southeast Families,

On behalf of the staff at Citizens Academy Southeast, We are happy to welcome you to the 2017-18 school year! We are looking forward to a productive partnership with you to ensure our children can achieve their highest potential. We recognize that in order to be successful in school, our children need support from both the home and school. We know a strong partnership with you will make a great difference in your child's education. We look forward to a very positive and productive year together! In addition, we extend a special, yearlong invitation to you to join us for school activities and events. We want . . . we need . . . and we value your involvement and support in your child's education.

We highly value school/home communication at CAS because it plays an integral role in each student's success. We desire and encourage our parents to be aware of their child's studies, assignments, and school activities. Maintaining consistent school/home communications will also keep you fully informed regarding standards related to appropriate behavior for a safe and productive school year.

The wonderful CAS staff feels privileged to be a part of this school family. We sincerely thank you for your support. Our Principal has an open door policy and looks forward to meeting each and every one of you! If you have any questions about the curriculum and expectations, please feel free to contact the school. You will also have an opportunity to discuss them with your child's teacher during your upcoming home visits.

Please see the enclosed 2017-18 school supply list, dress code and calendar.

Again, thank you for making the decision in partnering with Citizens Academy Southeast for your child's education.
